Uniform Expectations for Students 2022-2023

At the Academy we have adopted a school uniform dress code in order to create a sense of community among students as we embody the EL Education saying, “We are crew, not passengers.” Uniforms will help identify our students when they are in the Village doing field work. It is the parent/caregiver’s responsibility to be sure that the student is following the official school uniform dress code. This dress code is in place to contribute to a positive and structured school environment to eliminate any barriers of comparison and to foster student identity.

- Short or long sleeve navy Polo (collared) shirt. *Moisture wicking shirts are also an option on Wellness days (no t-shirts, must be polo shirts-no t-shirts).* You are welcome to purchase navy blue polos from any vendor and we have an option from the Logo Shop below.
- All shirts must have the OSACPS logo on the top left. Please reach out to Liz Durkee at ldurkee@osacharter.org if you need the logo for embroidery.

Hello OSA families!

I just wanted to update you on a few things. The website has been updated with some price changes. As you are aware everything has been going up in prices. I waited as long as I could to increase. I have also added a few items such as winter hats, sweatshirts and even a backpack. Also, a fleece vest. These items will be embroidered with the OSA Ox. Polos and fleece jackets will continue to be the OSA wording only. Lastly, a reminder, if you want to pick up your order at the shop, just note that in special requests. I will reimburse the shipping.
